

DEFINED CONTRIBUTION PENSION PLANS GUIDELINE No.8

COMPLIANCE ANALYSIS

This checklist lists the responsibilities related to Defined Contribution (DC) pension plans as outlined in sections 2 through 6 of the [CAPSA Guideline No. 8](#). Administrators can use this checklist to assess how they meet these responsibilities. The checklist should be completed by the individuals who have knowledge about how the plan meets each of the responsibilities. Numbering in the sections refers to the number of the questions within Guideline No. 8.

2.3.4	The decision to wind up of the plan, if that decision is taken. This includes completing the processes and filing any required documents with the provincial regulator.	N/A	<p>The decision to terminate PEPP rests solely in the authority of the Legislative Assembly of Saskatchewan.</p> <p>Completing the process and filing any required documents with the regulatory authorities would be</p>

			completed by PEBA as plan administrator.
2.3.5	Ensuring proper documentation and maintenance of the records related to the establishment of the plan, maintenance of the plan, and any amendments to the plan.	Yes	The Board has contracted with PEBA to provide administration services for the Plan, and it includes provisions for maintaining all member and accounting records in a complete and accurate manner. PEBA has a document retention schedule under the Provincial Archives of Saskatchewan Administrative Records Management System. In addition, PEBA administers its own retention schedule, and Plan records are administered in a manner appropriate to a pension plan (e.g., Board records are stored indefinitely). PEPP also maintains records in accordance with <i>The Freedom of Information and Protection of Privacy Act</i> and <i>The Health Information Protection Act</i> .

2.4 RESPONSIBILITIES OF THE PLAN RELATED TO THIRD-PARTY SERVICE PROVIDERS

Even if tasks are delegated to a third-party service provider (TPSP), ultimate responsibility lies with the Plan. The plan is responsible to ensure TPSP are appropriate and compliant with regulatory requirements.

2.4.1	Select service providers which have the appropriate level of knowledge and skill to perform their tasks.	Yes	The Board has in place a comprehensive Acquisition and Retention of Services policy which outlines the procedures and criteria for the selection of service providers.
2.4.2	Ensure that TPSP which provide advice are appropriate.	Yes	The Board has in place a comprehensive Acquisition and Retention of Services policy which outlines the procedures and criteria for the selection of service providers. One of the Board's Risk Management strategies is to retain service providers who are experts in the responsibilities to which they are assigned with respect to the Plan.

2.5 RESPONSIBILITIES OF THE FUND HOLDER			
The financial institution or entity that is retained by the plan administrator to hold the pension fund's assets in accordance with the terms of the fund holder agreement(s), the requirements of legislation (including the ITA) and the terms of the Plan.			
2.5.1	Assets are held exclusively for the pension plan and not co-mingled with other corporate assets.		CIBC Mellon Trust Company is the Plan's custodian responsible for holding the Plan's assets and verifying the Plan's compliance with <i>The Pension Benefits Act, 1992</i> .

2.6 RESPONSIBILITIES OF THE MEMBER			
An individual who has assets in the Plan has responsibilities.			
2.6.1	<p>The member is responsible to:</p> <ul style="list-style-type: none"> • Determine any voluntary contributions to the Plan; • Select their investments; • Determine the amount they will invest in any particular investment option, if more than one option is allowed • Determine when and if they should change their investment option(s); and • Select an option at termination and file all required documents with the plan administrator. 	Yes	The <i>Member Booklet</i> , available on the Plan website, has information on the Plan's investment options as well as voluntary contributions. The Investment section of the Plan website contains more detailed information on the Plan's investments including the My PEPP Investor Profile designed to help guide members toward the Investment option that may suit them best.
2.6.2	<p>If a Variable Benefit option is provided, the member also is responsible to determine</p> <ul style="list-style-type: none"> • Their withdrawal amount(s) each year, taking into consideration any prescribed limits/requirements • Use information and decision-making tools provided, to examine the impact of their withdrawal choices on future retirement income • Understand the impact of withdrawal choices on the amount of income available for their lifetime • Periodically use any information or decision-making tools provided to re-evaluate their risk profile and investment choices. 	Yes	<p>The <i>Retirement Income Options</i> publication, available on the Plan website, outlines the various options that are available to plan members.</p> <p>The Retire@Ease tool, available in PLANet, can assist members in determining withdrawal amounts and the impact on future retirement income.</p> <p>Retirement Information Consultants, who are Certified Financial Planners, are available to meet with and assist members.</p> <p>The <i>Your Path to Retirement Prepare and Enjoy</i> workshops are designed for Plan members nearing and in retirement.</p>

3.1 INFORMATION REGARDING INVESTMENT OPTIONS

For plans which do not allow members to make investment decisions, plan administrators should provide information to members on how their contributions will be invested. Each annual statement and any termination statement should disclose the level of fees payable by the member including asset-based fees and if termination statements provide members with the option to move funds out of the plan and into investments with the current service provider, then the fees related to those investments should also be disclosed in the termination statement.

For plans which allow or require members to make investment decisions:

3.1.1	At least annually, provide members with information regarding level of fees, by type, payable by the member or through their account for each investment option.	Yes	Members receive semi-annual statements which include a summary of account balances, investments, investment earnings, investment summary and rate of return. A full disclosure of fees is in the Plan annual report which is posted on the Plan website.
3.1.2	Providing detail on the investment options available under the plan, so they can make informed investment decisions.	Yes	<i>Fund Fact Sheets</i> , which contain information about each of the Plan's investment options, are available to members on the PEPP website. A current version of the SIP&G is posted on the website and contains information regarding the names of the investment management companies, the investment objective of the Plan, types of investments the fund may hold, and other details about the investments of the Plan. Information about investment fund holdings is available on the PEPP website.
3.1.3	Providing information on any changes to the menu of investment options or the fees charged.	Yes	A review of the Plan's investment options commenced in 2017 and was completed in 2018. Changes were implemented in 2019 and 2020. Members were provided with information about changes to both investment options and fees.
3.1.4	Providing information on how contributions are invested if no choice is made by the member. (default option)	Yes	Member welcome kits and the <i>Member Booklet</i> outline the default investment fund that is used in the event that a member does not make an investment choice. The <i>Fund Fact Sheet on PEPP Steps</i> contains detailed information on the fund.

3.2 INFORMATION REGARDING CONTRIBUTIONS

Each jurisdiction has minimum legislative requirements regarding disclosure, and this guidance is in addition to these minimum requirements.

3.2.1	Providing members with information on the member's required contributions and any optional contributions (if applicable) and an explanation of how to select or change a contribution rate (if members must/can elect a contribution rate within a particular range).	Yes	<p>Member welcome kits and the Member Booklet contain information on member contribution rates as well as voluntary contributions.</p> <p>The contribution percentage for employees and employers may be defined in an agreement between the employee and employer (a collective agreement or some other employment agreement).</p> <p>If the contribution percentage and the definition of salary is not specified in an agreement, then the contribution percentage is five per cent of salary as defined by the Plan for both employees and employers.</p> <p>A <i>PEPP Talk</i> information sheet on voluntary contributions is also available on the Plan website.</p>
3.2.2	Providing information on employer contributions.	Yes	<p>The <i>Member Booklet</i> contains information on employer contributions.</p> <p>The contribution percentage for employees and employers may be defined in an agreement between the employee and employer (a collective agreement or some other employment agreement).</p> <p>If the contribution percentage and the definition of salary is not specified in an agreement, then the contribution percentage is five per cent of salary as defined by the Plan for both.</p>
3.2.3	Providing employers with information regarding deadlines for the submission of member and employer contributions.	Yes	<p>PEPP provides training to employers and <i>Employer Bulletins</i> remind employers about deadlines.</p> <p>As well, the <i>Employer Administration Guide</i>, posted on the Plan website, provides employers with information regarding deadlines for the submission of member and employer contributions.</p>

3.2.4	Providing information on the treatment of voluntary contributions.	Yes	The <i>Member Booklet</i> contains information on voluntary contributions. As well, the <i>PEPP Talk on Voluntary Contributions to PEPP</i> contains information on the treatment of voluntary contributions.
3.2.5	Explaining how interest and earnings on contributions are to be applied.	Yes	Annual statements include information about earnings. All of PEPP's investment funds are unitized and member account balances are based on the number of units the member has in each investment option as well as the value of each unit. Unit values fluctuate based on investment markets and are calculated and posted on the Plan website daily. Information on how Plan members can calculate their personal rate of return is available on the Plan website.
3.2.6	Providing information on how and when contributions are vested and locked-in and an explanation of what these terms mean.	Yes	The <i>Member Booklet</i> provides information on how and when contributions are vested and locked-in and an explanation of what these terms mean.
3.2.7	Providing information on how and under what circumstances contributions can be withdrawn.	Yes	The <i>Member Booklet</i> as well as <i>PEPP Talk</i> information sheets provide information on the circumstances under which contributions can be withdrawn.
3.2.7(b)	Providing identification of any funds that are considered non-locked-in, and of any unlocking opportunities provided under plan rules and applicable legislation.	Yes	Non-locked-in funds are identified on member statements. The <i>PEPP Talk on Termination Options</i> contains information on accessing any non-locked-in voluntary contributions.
3.2.8	Providing a description of how any transfers into the fund will be treated.	Yes	The <i>PEPP Talk on Transferring Money into PEPP</i> is available on the Plan website.
3.2.9	Providing an explanation of options regarding maximizing employer matching contribution, if applicable.	N/A	

3.3 INFORMATION AND TOOLS REGARDING ESTIMATES OF ACCOUNT BALANCES AND/OR BENEFITS			
Plan administrators should provide members with information and tools to help them understand and estimate their plan benefits on retirement.			
3.3.1	At least annually, providing members an estimate of the value of the member's account at retirement.	Yes	Member statements provide members an estimate of the value of their account at retirement.
3.3.2	At least annually, providing members an estimate of the benefit they may receive from that value.	Yes	Member statements provide members an estimate of the benefit they may receive from the value of their account at retirement.
3.3.3	Assumptions used for the estimates should be reviewed at least periodically and administrators should demonstrate prudence in establishing appropriate assumptions.	Yes	The assumptions used for estimates have been established using appropriate guidance and are reviewed by PEPP annually.
3.3.4	Administrators should disclose the assumptions used to indicate future account value and benefits and clearly note that the actual future account will likely differ from estimates.	Yes	The assumptions used to indicate future account value and benefits are outlined in the <i>Retire@Ease</i> tool in PLANet. The tool indicates that the members actual future account will likely differ from estimates.
3.3.5	Informing members of the Purpose of the Plan.	Yes	The primary purpose of the Plan is clearly defined in <i>The Public Employees Pension Plan Act</i> . The purpose, to provide retirement benefits to its members, is outlined in the Member Booklet.
3.3.6	Informing members that other sources of income or savings may be required to achieve their retirement income goals.	Yes	<i>Investment Basics</i> , available on the Plan website, outlines that PEPP will not be a member's only source of retirement income. The <i>Retirement Income Options</i> publication also provides members information about other sources of income. <i>Your Path to Retirement</i> workshops are available and provide information about other source of income and savings. The <i>Creating a Retirement Plan</i> video outlines the considerations members should take before they retire.

4.0 INFORMATION FOR MEMBERS WHO ARE APPROACHING THE PAYOUT PHASE

Each pension jurisdiction has specific legislative requirements for the information to be provided to a member on termination of membership in DC pension plans without a variable benefit component. DC pension plans with a variable benefit component continue a relationship with a member even during the decumulation or payout phase.

4.0.1	<p>Providing the following information to Plan Members:</p> <ul style="list-style-type: none"> • Options available to the member at termination • Any actions the member must take • Deadlines for member action • Default options applicable if no action is taken • Impact that termination of membership will have on each investment option, if any. 		<p>Members who are eligible to retire and PEPP receives a notice of termination are provided with a retirement information package which contains information on actions the member must take, deadlines for member action, and the default option.</p> <p>The PEPP <i>Talk on Termination Options</i> is available on the Plan website.</p> <p>The Retirement Checklist is also available on the Plan website.</p>

Yes	<p>The <i>Retire@Ease</i> planning tool accommodates varying investment return assumptions and withdrawal patterns.</p> <p>Members may attend a <i>Your Path to Retirement</i> workshop or schedule a one-on one meeting with a PEBA Retirement Information Consultant for more information regarding sustainable withdrawal rates.</p>
5.1.7	<p>If income estimates or income estimation tools are made available, plan administrators should clearly state:</p> <ul style="list-style-type: none"> • That actual future income patterns will likely vary from estimates; • The assumptions used in the estimates should be clearly stated; • Clear instructions on how and when members should inform them of their chosen withdrawal amount; and • that DC pension plan members should consider obtaining investment, financial planning and retirement planning advice from qualified advisors. 		<p>The <i>Retire@Ease</i> planning tool, available in PLANet on the website, indicates to users that actual future income will vary from estimates as well as the assumptions used in the estimates.</p> <p>The <i>Retirement Checklist</i> posted on the Plan website, indicates that members should consult with a lawyer, accountant, financial planner/advisor and an insurance specialist about their retirement plan.</p> <p>The <i>Member Booklet</i> outlines the responsibilities of members of the Plan, one of which is to “consult a qualified financial advisor with knowledge of the pension industry to discuss your specific financial situation.”</p> <p>Member forms posted on the Plan website contain wording to ensure that members are aware that members should consult with appropriate advisors prior to making decisions.</p>

6.0 ADVERSE AMENDMENTS FOR DC PENSION PLANS

Adverse amendments are amendments which negatively affect the prospective benefits, rights, obligations or entitlements of members or other persons entitled to payments from the fund. Examples of these would include:

- Reduction of employer and/or increase in employee contributions
- Changes in expense allocation (e.g. who pays for administrative expenses)
- Lengthening vesting requirements

6.1 DISCLOSURE OF ADVERSE AMENDMENTS FOR DC PENSION PLANS

Some jurisdictions may require the DC pension plan administrator to provide written notice to certain parties such as affected members and other plan beneficiaries, and trade unions (if applicable), before an adverse amendment is registered.

6.1.1	Plan administrators should provide a written explanation of the amendment to the parties within the time limit required by the appropriate legislation. The parties can include, but are not limited to: <ul style="list-style-type: none">• Deferred vested members• Active members• Retired members• Survivors who are entitled to or are receiving benefits from the plan• Former pension partners who are entitled to benefits from the plan due to a property settlement as a result of a breakdown in a spousal relationship• Beneficiaries of deceased members who have not yet been paid out; and• Trade unions of affected members.	not required prior to registration	The Plan consults with stakeholders when adverse amendments are being considered.
